

# KALEIDOSCOPE KIDS PRESCHOOL

TUSCANY MAIN: 403.547.1020 ext. 2

Dear Parents,

Happy New Year! We hope that all of our preschool families had a relaxing winter break and that a lot of delicious food was enjoyed as well! We are very excited to see the children back in class this month!

Please be sure to check the **'Important Announcements'** section for information regarding upcoming events, special activities, and school reminders.

Please be sure to read the monthly newsletters in their entirety as they contain information on the happenings in your child's class.

Should you have any questions or concerns, our email address can be found at the bottom of the newsletter.

If you would like to contact the school or teacher about your child(ren), the number can be found at the top of this newsletter along with the name of your child's teachers. You may also email the school and include your child's name, location, and class time to your email.

## Important Announcements

## **THE MONTH AT A GLANCE:**

This month will see the children learning about **Winter**, **Dinosaurs** and **Colours!**

The **T/Th** class will be creating some whimsical winter artwork for the first half of January and then will move on to learning about colours, beginning with the primary colours and the colour wheel to create the secondary colours as well!

The **M/W/F** class will also get a chance to create some whimsical winter crafts before moving on to one of the most anticipated units each year – **DINOSAURS!** They will also have a visit from Mad Science this month to expand their learning about Dinosaurs.

## **Handwriting Without Tears**

Every Monday will be completely dedicated to the letter we are working on. During our first circle-time a special Alpha Tales story focused on the letter we are learning, will be read to the children followed by group discussion of the letter and instruction on how the letter is formed. All children will have their own printing board to practice the letter as a group! Our craft that day will be a letter sheet that the children can colour and practice the letter with a marker/crayon.

The letters being learnt this month are:

<b>January 5</b> – Letter <b>O</b>	<b>January 12</b> – Letter <b>Q</b>
<b>January 19</b> – Letter <b>G</b>	<b>January 26</b> - Letter <b>S</b>

Children are invited to bring a picture of an item that begins with the same letter and we will glue it up on our poster board. Pictures can be clips out of magazines, newspapers or photographs (note photos will not be returned). Please only send 1 or 2 pictures! This will help the children in learning to sound out the letter/words.

## Last but not least...

### **MAD SCIENCE (M/W/F):**

Mad Science will be visiting the preschool on **January 21, 2026** to teach the children even more fascinating facts about Dinosaurs! Mad Science visits are always a blast and have the kids laughing and learning right along with the special guest presenter.

**COLOUR DAYS (T/Th):** The children in are encouraged to wear the coordinating colours during their Colour Unit this month (***found under Important Announcements***). On Rainbow day, the children are encouraged to wear rainbow colour outfits, tie-dye, etc. We cannot wait to see the children in all their cool colour outfits!

### **Parents Corner:**

If there is anything you would like to post in the Newsletter (recipes, fun facts, dad jokes, community news etc.), please email your post by the 15<sup>th</sup> of each month to the email listed below.

### **Special Helper!**

Your child will have the opportunity to bring in a special toy/book to share with their friends on their special day. Children will also get a chance to participate in running the last circle time of the day on their Special Helper day!

Teachers will be going in alphabetical order when planning Special Helper days. You will find your child's Special Helper day posted on the Parent Board at the entrance of the preschool. Please be sure to note your child's Special Helper day to ensure that they have something to share with their friends.

Parents may also come 15 minutes early to watch their child's Special Helper day presentation.
